STAT

5. (Unclassified - GLC) Left with Dorothy Fosdick, on the staff of the Senate Subcommittee on National Security and International Operations, the article by Dino Frescobaldi which she had asked us to translate.

STAT

6. (Unclassified - GLC) Miss Pamela Turner, on the staff of Senator Edward J. Gurney (R., Fla.), called to say the suggested reply which we had provided them in response to a constituent inquiry about benefits paid to the widows of U.S. citizens lost in the Bay of Pigs operations had not satisfied the constituent and she asked if we would assist in the preparation of a follow up letter. We will pick up the constituent's letter tomorrow. 25X1

1. (Unclassified - LLM) Mr. Bill Brier, in the office of Representative Larry Winn (R., Kans.), called and said a Miss [] would like to resubmit her application for employment with the Agency. Miss [] had previously applied sometime around December last year, but turned down the position offered her because at that time she did not wish to move to Washington. After checking with the Office of Personnel, Mr. Brier was advised that an appointment has been scheduled for Miss [] to meet with Mr. [] tomorrow morning anytime between 11:00 and 12:30 at the Ames Building.

2. [] GLC) Made a followup call to Mrs. Parker, on the staff of Senator Hiram L. Fong (R., Hawaii), in response to a call which she made directly to [] 25X1A

[] and said I would be back in touch with her tomorrow.

3. [] GLC) In response to our query, [] Security, advised that Mr. Wade Clarke, of the Senate Labor Subcommittee on Alcoholism and Narcotics, has a current secret clearance with DOD; and Mr. Park Rinard, Administrative Assistant to Senator Harold Hughes, (D., Iowa), has a DOD secret clearance in process. These men are traveling to Southeast Asia on behalf of Senator Hughes, Chairman of the Subcommittee, to look into the drug situation in Southeast Asia. Senator Hughes has written the Director asking that we provide appropriate courtesies to these men. A cable is being sent to the FE stations concerned.
